A Teenager in Love

Intro [C] [Am] [F] [G]

C          Am            F         G7
Each time we have a quarrel it almost breaks my heart
C          Am            F         G7
Cause I am so afraid that we will have to part
C          Am            F         G7
Each night I ask the stars up above
C          Am            F         G7
Why must I be a teenager in love

C          Am            F         G7
One day I feel so happy next day I feel so sad
C          Am            F         G7
I guess I'll learn to take the good with the bad
C          Am            F         G7
Each night I ask the stars up above - stop
C          Am            F         G7
Why must I be a teenager in love

F         G7       F          G7
I cried a tear for nobody but you
F         G7       F          G7
I'll be a lonely one if you should say we're through

C          Am            F         G7
Well if you want to make me cry that won't be so hard to do
C          Am            F         G7
And if you say goodbye I'll still go on loving you
C          Am            F         G7
Each night I ask the stars up above
C          Am            F         G7
