Coney Island Washboard Roundelay  - (1926)

F        Db7       F        C7       F
Down by the beach there’s the cutest little peach
F        Db7       F        C7       F
And I must say, she has the cutest way.
D7                              Gm
Playing a chord, upon her washboard.
G7
Folks would gather round, from everywhere in town
C7                      (C+ Am)
Just to hear that sound.

F                              D7
On a Coney Island washboard she would play.
G7
You could hear her on the boardwalk every day.
C7                              D7
Soap suds all around, bubbles on the ground.
G7
Rub a dub a dub in her little tub
C7                      (C+ Am)
All those tunes she found.

F                              D7
The thimbles on her fingers made the noise
G7
As she played upon the laundry for the boys.
Bb                              Db7
She’d rag a tune right through the knees
F                              D7
Of a brand new pair of Levi jeans.
G7        C7        F
The Coney Island washboard roundelay.
