The Young Ones

G
The young ones
Em
Darling we’re the young ones -
G
And the young ones -
Em
Shouldn’t be afraid -
G D7
To Live, Love
G C
While the flame is strong
G D7 G C D
’Cause we may not be, the young ones, very long
G Em
Tomorrow, why wait until tomorrow -
G Em
’Cause tomorrow - sometimes never comes -
G D7
So, Love, Me,
G C
There’s a song to be sung
G D7
And the best time, is to sing it
G G7
While we’re young.

C C
Once in every lifetime
G G
Comes a love like this
A7
Oh, I need you, you need me
D D7
Oh my darling can’t you see
G Em
The young dreams, should be dreamed together
G Em
The young hearts, shouldn’t be afraid
G D7
And Some, Day
G C
When the years have flown
G D7 G G7
Darling then we’ll, teach the young ones of our own
