Yellow Submarine – The Beatles

F       C7               F           Gm                  C7
In the town where I was born, lived a man who sailed the sea
F       Gm                  C7
And he told us of his life, in the land of submarines
F       Gm                  C7
So we sailed up to the sun ‘til we found the sea of green
F                   Gm                       C7
And we lived beneath the waves in our yellow subma-rine

CHORUS

F       C7               F
We all live in a yellow submarine, yellow submarine, yellow submarine
F       C7               F
We all live in a yellow submarine, yellow submarine, yellow submarine

C7           F           Gm                  C7
And our friends are all a-board, many more of them live next door
F                 Kazoo                  C7
And the band begins to play   [ Da Da Da Da ]

CHORUS

C7           F           Gm                  C7
As we live a life of ease,   everyone of us has all we need
F                   Gm                  C7
Sky of blue and sea of green, in our yellow submarine
